# **SCHOOL INFRASTRUCTURE**

*School Morning Assembly Ground and IX & X BLOCK*

***LRPS OVERALL CAMPUS***

***ADMINISTRATIVE AND SENIOR CLASSES BLOCK***

***The School has vast ground where all the activities like sports meet, games periods, Dussehra celebration etc. are organised.***

*Spacious Visitor room in the school for the comfort of Parents and other visitors.*

*The School has neat and clean corridors.*

# **SCHOOL CLASSROOMS**

**CLASSROOMS WITH SMART  
BOARDS**

*The school having spacious, ventilated classrooms with vast capacity.*

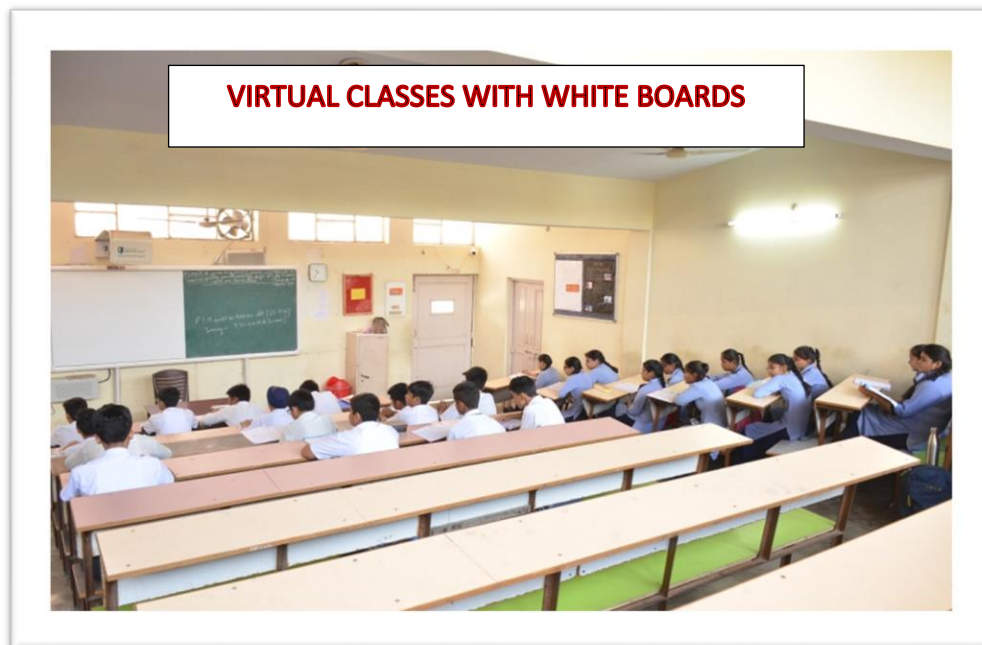

**LARGE SITTING CAPACITY**

*Good sitting capacity for the students*

*The school having facility of virtual classrooms, technology smart classes to enhance the knowledge of the students.*

*Interactive white boards are used for classroom teaching and involve students to learn with technology.*

## **MORNING ASSEMBLY**

***Morning Assembly is an integral part of the school activities. All the students together do daily prayers in the ground.***

***Morning Prayer, National Anthem, Spiritual song, Headlines of the day, thought of the day were performed during the assembly.***

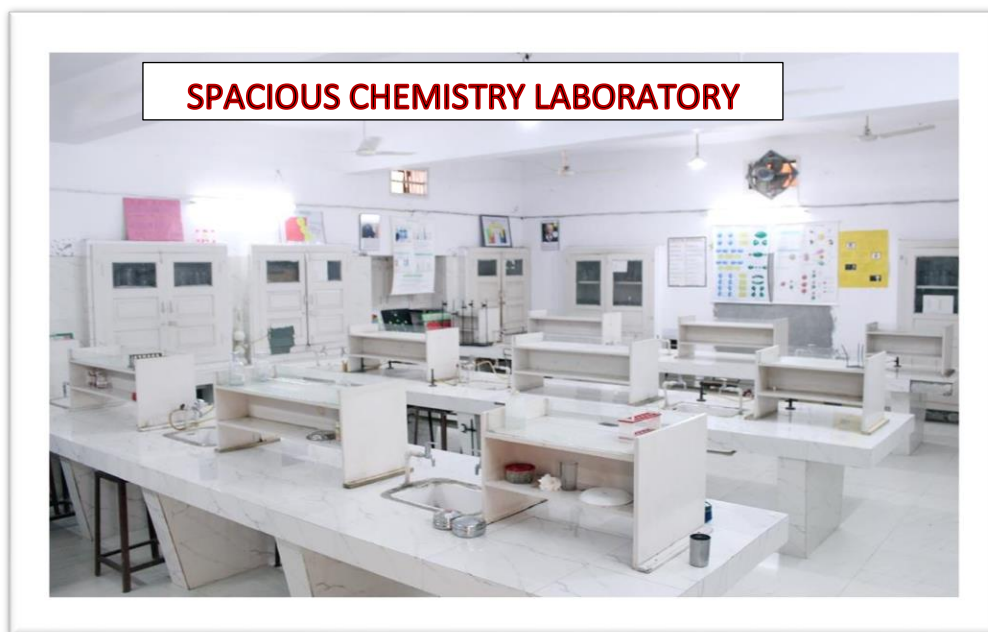

***Regular PT Exercises were performed for the health and fitness of our students.***

***Morning Assembly is conducted in a proper class wise schedule, so that all the classes get a chance to be a part of this.***

## **SCHOOL LABORATORIES**

*The school labs are well-equipped as well as spacious and are efficiently utilized. These labs are used to impart practical knowledge to the students which helps them in better understanding of concepts. The school has well-equipped laboratories for Physics, Chemistry, Mathematics, Biology, Computer, and thoughtfully designed departments- Audio-Visual, Dance, Music and Art and Craft*

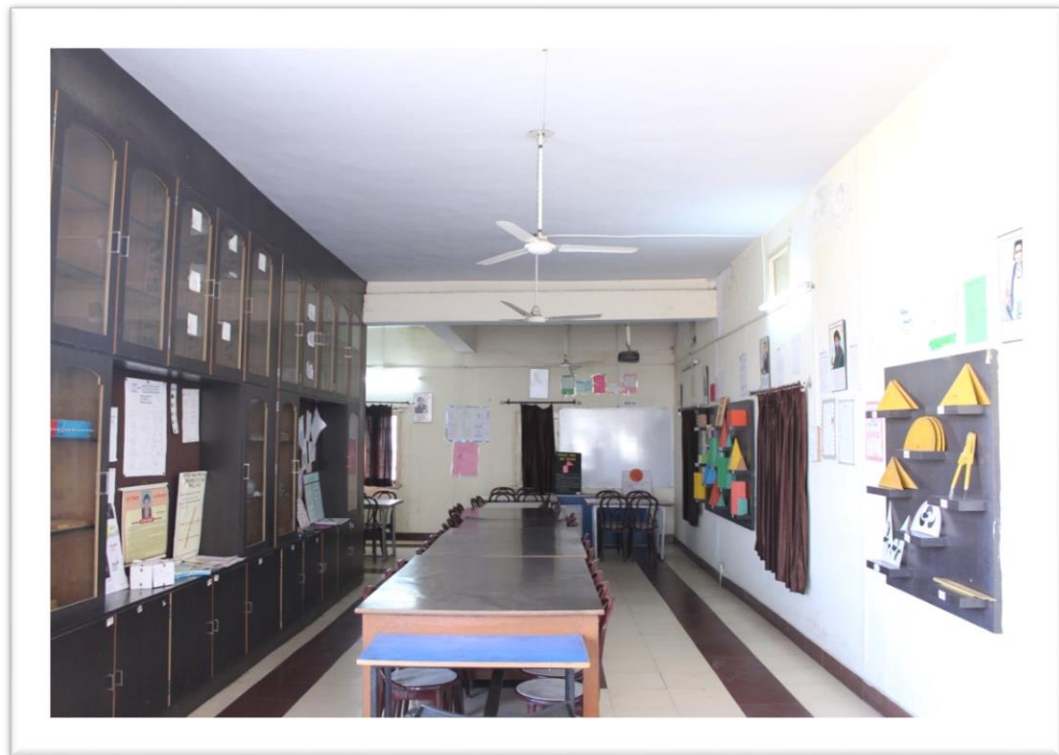

### **CHEMISTRY LAB**

*The lab having all the equipments for the practical knowledge of the students. Students perform the chemistry practicals here.*

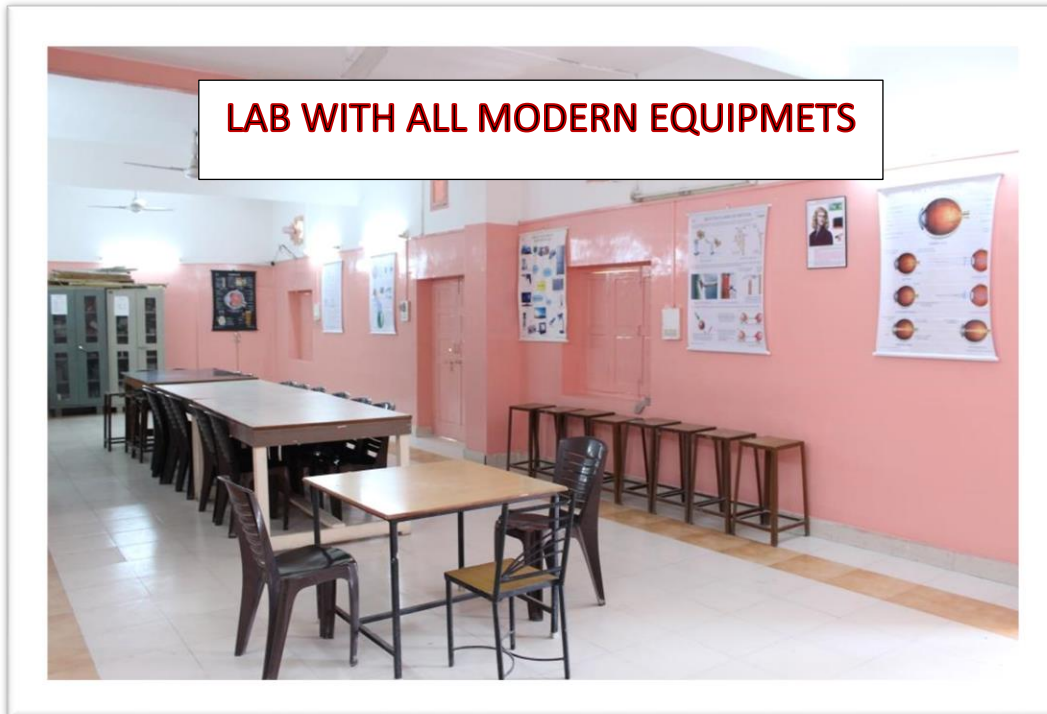

## **MATHEMATICS LAB**

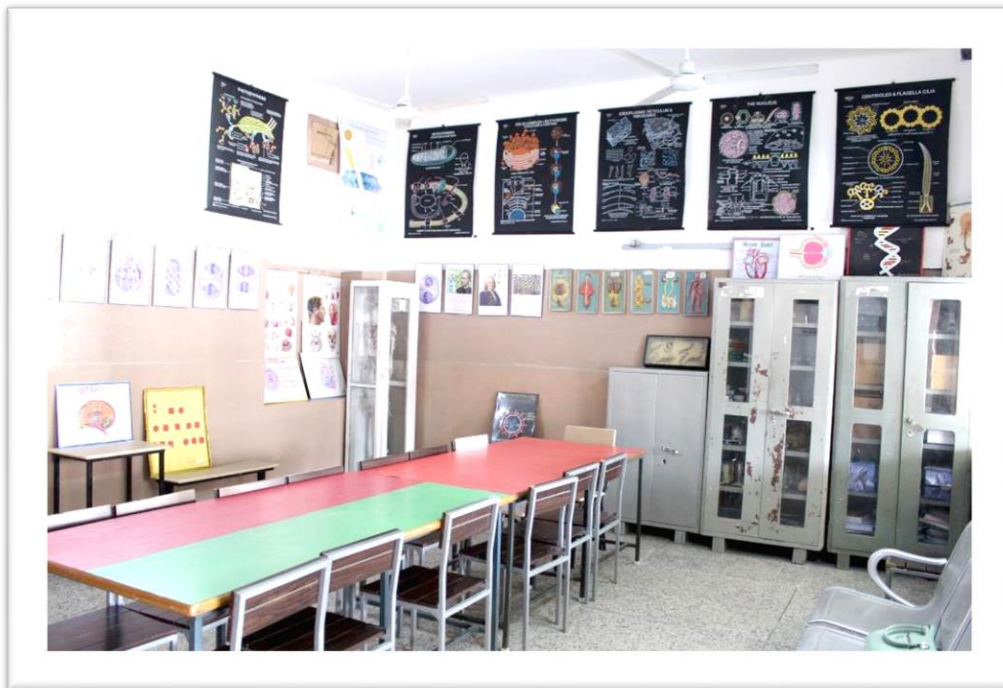

*Students learn better by doing experiments. Maths lab having all the teaching learning aids for understanding concepts by concrete activities.*

## **PHYSICS LAB**

*As Physics is a core subject, experimentation is a main part of the curriculum. The Physics lab helps the students in improvising their approach towards the subject.*

## **BIOLOGY LAB**

***The Biology laboratory provides in depth practical training by experienced staff. All the experimental apparatus regarding the biology experiments are provided to the students for their practical knowledge.***

## **COMPUTER LAB**

*School has primary and senior air conditioned computer labs with well-functioning latest technology computers. The labs are well ventilated and spacious with good sitting capacity of 100 students at one time.*

*Computer lab in the school is devoted to Pedagogical use for pupils and teachers. Students can use the computers related to their study topics.*

## **MUSIC ROOM**

***The Music room is a spacious room for choir rehearsals, having good sound system, playback system etc. Students practice their daily morning assembly prayers and group songs in their zero period or free time.***

## **DANCE ROOM**

*It includes smooth floor covering, mirrors, good sound instruments, where students can practice comfortably for school functions and regular dance periods.*

## **SCHOOL AUDITORIUM**

*An auditorium equipped with the latest multimedia technology can serve as an ideal platform to showcase not only students' various performances but also be a good utility for conducting various educational programmes, assembly functions, Parent Orientation, lesson enrichment etc. Our School Auditorium comprises capacity of 500 people.*

## **LIBRARY**

***A well-equipped library housing a wealth of useful books or informative and interesting video facilities, coupled with a motivating or mood-lifting ambiance not only attracts students but also develops a liking to study.***

***The School Library includes subject books, General Knowledge books, Magazines and Newspapers for the extra knowledge of the students. Students visit the library in their free periods.***

## **ART AND CRAFT ROOM**

*The school has an art department that buzzes with creativity. This department does more than just teaching art. It infuses creativity in the young minds.*

## **OPEN GYM**

*It's amazing to see the little champs and other students to reflect their passion towards the maintenance of health through exercising. Students use the open gym in their free periods or in the morning time.*

# ACADEMIC ACHEIVEMENTS
